## *Course Description*

### Supervisory Safety Skills

DOI SUPV OLT 110

#### Target Audience

This course is a prerequisite for the instructor-led course “BLM/FWS/NPS Supervisory Skills Workshop” for new supervisors, meaning you MUST complete it before attending that course.

#### Summary and Objectives

This course is part of the New Supervisor Development Program and provides a foundation for the Supervisory Skills Workshop. It is appropriate for supervisors during the 12-month probationary period and for those who work to balance maximum workforce performance with appropriate compensation.

Upon completion of this course, participants will be able to:

- Identify and implement agency's safety and health responsibilities.
- Describe employees' safety and health rights and explain how to protect them.
- Apply and foster safe and healthful work place.
